FREESTANDING DESKS WORKSTATIONS

Movement is essential to being human. Ascend allows for easy transition between sitting and standing. Affordable and easy to assemble, Ascend makes height adjustability accessible to everyone in your office.

Quality and durability are hallmarks of the Gebesa brand. Made in North America to ensure high quality and high performance, all Gebesa products are supported by our outstanding customer service and warranty.

PERIODIC TABLE OF THE ELEMENTS

Handwritten mathematical and scientific formulas on a chalkboard:

- $M_0 = \frac{4T^2 r^3}{aT^2}$
- $F_x = \frac{1}{2} C_p S v^2$
- $L = 10 \log \frac{I}{I_0}$
- $D = \frac{E}{h \nu}$
- $E_0 = mc^2$
- $U_0^2 = U_c^2 + v^2$
- $\frac{m_0 v}{2\pi r m e}$
- $\tan \theta_0 = \frac{m_0}{m_1} = m_{21}$
- $\vec{B} = \mu_0 \frac{NI}{l}$
- $U = \frac{W_{AB}}{q} = \frac{E_{PA} - E_{PB}}{q}$
- $F_v = \int \frac{F_n}{R} 1pc = \frac{1AU}{r}$
- $w = U_m s \sin(\omega t - t) = U_m \sin(\omega t - t)$
- $M_0 M_1$
- $F_k = \frac{1}{2} m v^2$

ASCEND CONFERENCE TABLE

Conference tables come in multiple shapes and finishes to create dynamic meeting spaces. With sophisticated design and natural wood veneer finishes or laminates, this collection creates an elegant yet functional collaborative workspace.

ASCEND BENCHING

We've thought of all possible scenarios. Ascend Benching integrates height adjustability, power, data, privacy and various other features into a single platform—and is available in double-sided configurations for maximum space utilization and flexibility.

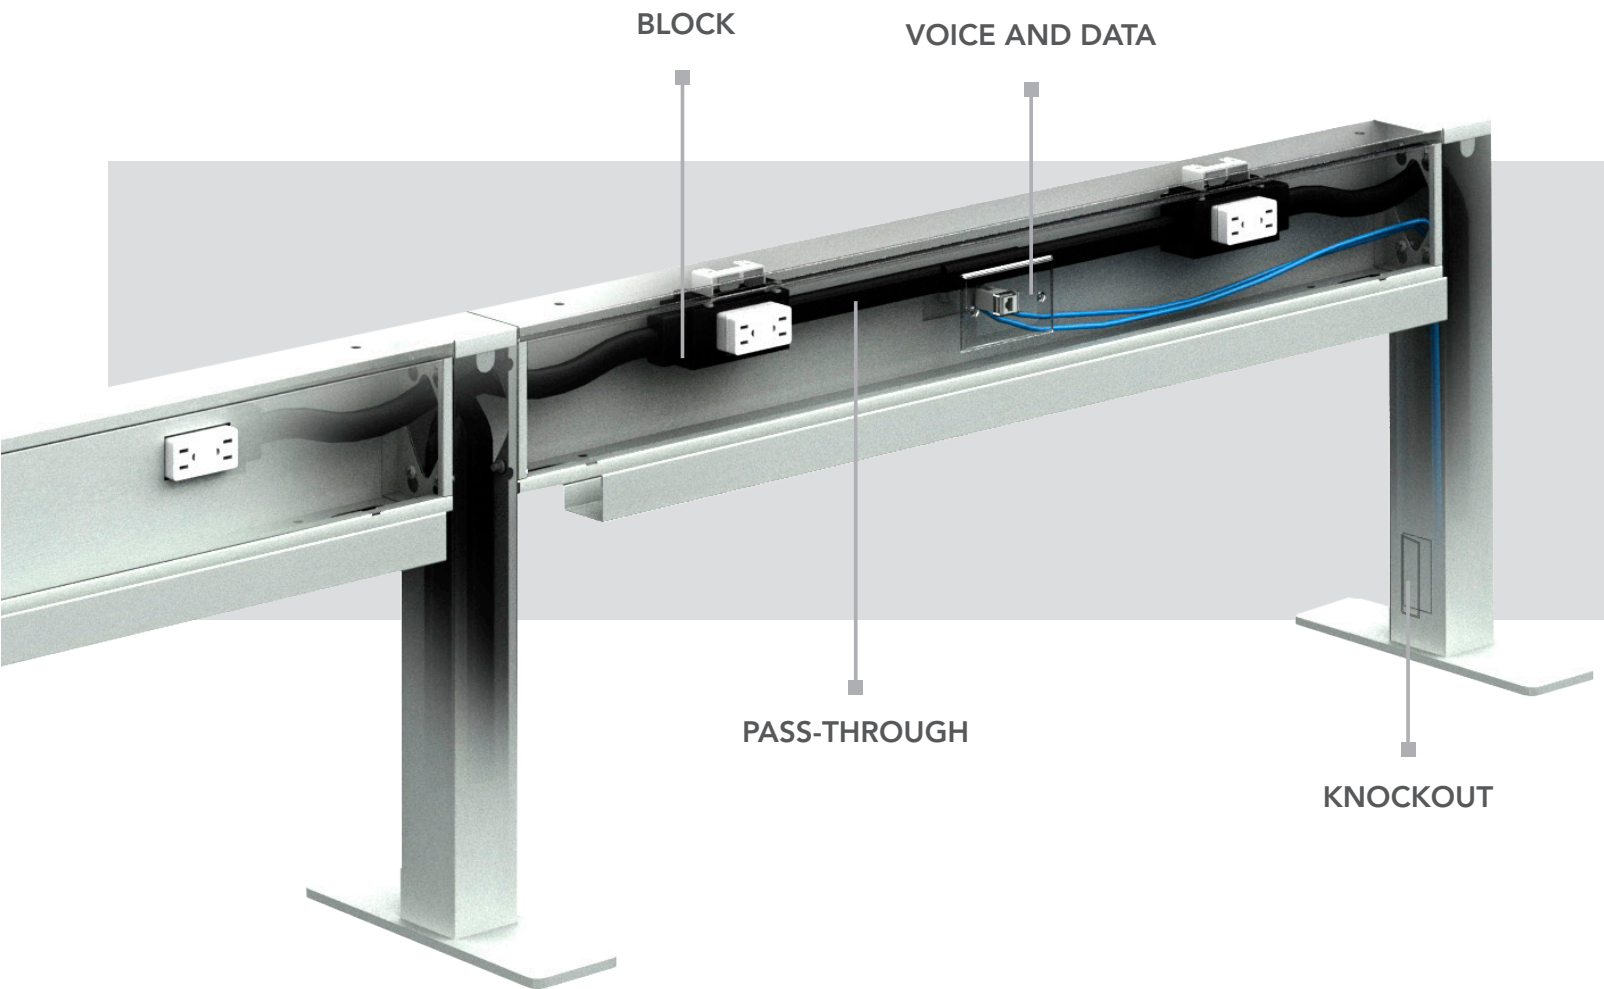

The Ascend portfolio of products allows you to create open, modern and functional office environments. Offering diverse combinations of height-adjustable tables and benching coupled with power/data distribution and storage solutions, Ascend products allow you to maximize efficiency and customize space to your specific needs.

BEAM

Need complete flexibility for quick and easy change?

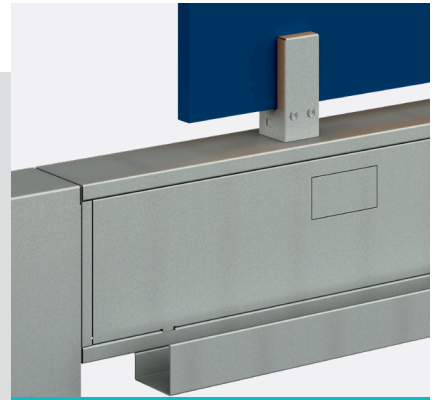

Ascend Beam is a simple elevated power and data distribution product used in conjunction with ASCEND tables and any Gebesa desking, storage or table series. The freestanding modular design also makes it easy to integrate into other areas of your office, including lounge, café and other collaborative areas where power and data distribution or privacy is needed.

Allows straight, 90° and 120° connections in 2-way, 3-way and 4-way configurations

Hinged raceway to organize and hide cables

Option to add privacy screens

2-way configuration
Straight / 90° connection

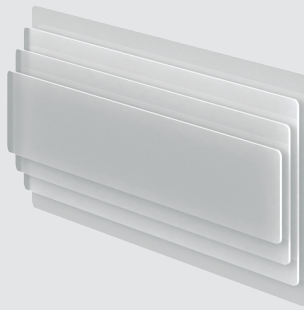

3-way configuration
Straight / 120° connection
