G-CONNECT

The conference table is a key element to consider if you want to ensure that your meetings run fluently and productivity is enhanced. Its options in the work surface dimensions and finishes allow customization and combination with your space.

The conference table is the perfect equipment to increase the charm of the interior decoration of your office, since it can be integrated with functions that make it a dynamic element for users in many ways, if you have a high quality table in your organization you can project professionalism to your customers and collaborators.

FILO

Regardless of the number of employees in your organization, the boardroom is one of the most important areas. Sales closings, contract signings, reviews and other valuable meetings will be held here.

Provide personality to your room with our FILO conference tables, creating the perfect environment for decision making. Its wood veneer finishes will help you create a refined layout. Get to know the measurement options, which will allow you to create the ideal space according to your needs.

VENTI

Much more than just tables, the Venti options are the perfect complement to office areas where the exchange of ideas is prioritized. Take advantage of each of its sides with paint finishes and make annotations or explain ideas to your collaborators.

BENTO

Having the right conference table will lead to a great positive impact on the way your business meetings develop. A key factor in a company's success can be as simple as the shape and size of its board table. With its fine finishes in natural wood veneer and elegant concave design, it seeks to satisfy aesthetic and functional demands of every organization.

CONTEMPO

The conference table is probably one of the most important parts of an office, where more hours are spent and more tasks are performed.

Making use of a fully equipped boardroom can change the course of your business. Whether you enter into contract closings, or present the project that will lead your company to its turnaround, you will always need an appropriate boardroom to achieve your goals.

Project professionalism to your customers with the Contempo conference table that offers elegant style while guaranteeing the highest quality in its materials with finishes in wood veneer.
