CHAIR

GDOH7023STMA

Ideal for equipping a lounge area, waiting room, or multipurpose room. Its ergonomic design and manufacturing materials allow it to be used both indoors and outdoors.

With imitation rattan finishes and a seat and backrest upholstered in fabric, it offers comfort, sophistication, and solid structure. Its wide range of available colors provides a high sense of customization.

VOLANTI

The Volanti stool combines comfort with a fresh look. Its steel base contrasts with the melamine-based seat laminated with imitation wood grain.

VOLANTI STOOL

FEATURES

- Square tubular steel profile structure
- Support footrest with round profile coldroll steel
- Top quality laminated melamine seat
- Imitation grain finish
- Dimensions: 14.6" W x 14.6" D x 30.7" H
- Maximum resistance weight: 330.7 lbs.

ALISSA

Made in one piece, the Alissa chair provides a modern and attractive aesthetic to any office area where it is placed; its ergonomic design has a resistance of up to 287 lb—created to achieve high performance, well-being, and comfort, seeking to impact the quality of life during the workday positively. Place it in the lobby, lounge, or private offices, where visitors are constantly received. It turns a commonplace into a new and avant-garde area.

ALISSA

FEATURES
