	Total:	H:	1515
		A.(s.b.):	520
A a.b.:		685	
L:		535	
Packaging data	Weight:	kg	17
	Volume	m <sup>3</sup>	0,7

**Basic equipment**

**Benefit**

Polypropylene parts	Same color throughout the chair, black or white	Durable appearance even with intensive use.
Backrest	Medium height backrest, in mesh, black.	
Upholstery	Seat upholstery: 55 mm foam.	Great seating comfort.
Weight mechanism/regulation	Synchronized mechanism, with self-adjusting weight (50 - 120 kg). Backrest locking possible.	The mechanism has been designed in such a way that it supports your posture in every seating position. It allows the user to change seating positions flexibly. Several users can easily use the chair without having to adjust the backrest tension. When leaning back, the edge of the front seat cushion is raised. In this way, the user slides slightly backwards, contributing to a comfortable and ideal seating posture.comfortable and ideal seating posture.
Seat height adjustment	Progressive seat height adjustment from 640 to 920 mm.	
Base	Polypropylene base with footrest ring (Ø 470 mm).	Very high stability, long service life.
Wheels	Shaped sliders for soft soils.	The chair is fixed when seated and can be moved when unoccupied.
Materials	All materials are single source and recyclable.	Ecological.
Certification	Quality management system DIN EN ISO 9001:2015, in accordance with Regulation (EC) No. 1221/2009 (EMAS). Environmental management system DIN EN ISO 14001:2015. Occupational health and safety management system DIN EN ISO 45001:2018, Energy management system ISO 50001:2018. EcoVadis Gold Certification, Sustainability Guaranteed.	High quality product.
Warranty and return	10 years warranty. Complete return and recycling guarantee.	Exchange of parts free of charge within the guaranteed periods.

Disassembly instructions available for any Interstuhl product upon request.
